## BRITEZONE® LED WORK LIGHTS, BY GROTE

Boating. Mowing. Off-roading. Whether you're working or playing, if you're out there doing your thing until long after the sun goes down—you need a lamp as tough and tireless as you are. Grote's BriteZone family has the right LED lamp for any application—from ATVs all the way to tow trucks—without breaking the bank.

### FEATURES & BENEFITS

- LED Technology
- Low Power Draw
- High Output
- Easy Installation
- Hardware Included
- Two-Year Warranty
- EMI Protection

Family owned and operated for over a century, Grote Industries is known for innovative design, quality products, and superior customer service.

Whether you need a single lamp or are outfitting an entire fleet, the Grote name promises reliability, performance, and all-weather durability.

This heritage of excellence is reflected in BriteZone®, Grote's line of affordable LED lamps that are designed to work when you need them—no excuses. Rain or shine, day or night, wet or dry—Grote's signature design, quality, and performance are on display. The rugged, durable construction and LED power of BriteZone lamps far outshine halogen. No matter the application or environment, BriteZone gets the job done.
