

# GROTE LED FOG LAMPS

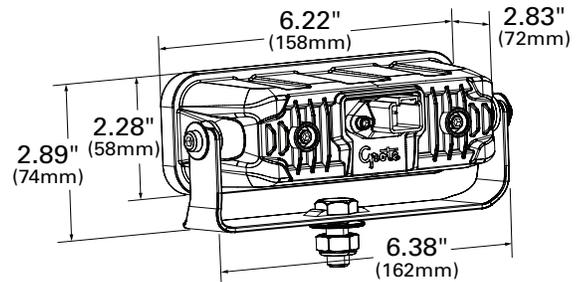

DATA SHEET

FORWARD LIGHTING

64H51-5

## Make your way safely through fog and inclement weather with Grote's new LED Fog Lamps.

- SAE and FMCSA compliant LED Fog Lamps can be used on commercial and private vehicles
- Three wiring options, hard wire (pigtail included), basic harness system (sold separately) or deluxe harness system to use vehicle electronics (sold separately)
- Designed with durability in mind, their rugged construction allows for use in any heavy-duty application
- Now you can easily and affordably install street-legal LED fog lamps on all classes of vehicle, from Class 1 to Class 8
